

## Car

### From the North

Travel south on the A1, exit slip road signpost A19/Tyne Tunnel. Continue south towards the Tyne Tunnel along A19 until you reach the roundabout at A1058. Take the first exit signed to Silverlink. Continue forward over the next two mini roundabouts until you reach the main roundabout at Middle Engine Lane. Take the second exit onto Cobalt Park Way and then over the next roundabout into the Cobalt Business Exchange & Conference Centre.

### From the South

From the south follow the A1(M), then follow signs for Tyne Tunnel A194 and the A19. Go through the Tyne Tunnel and on exit head for A19 north until roundabout on the A1058. Take the third exit signed to Silverlink.

Continue forward over the next two mini roundabouts until you reach the main roundabout at Middle Engine Lane. Take the second exit onto Cobalt Park Way and then over the next roundabout into the Cobalt Business Exchange & Conference Centre.

## Airport

Newcastle International Airport is approximately seven miles north-west of Newcastle City Centre. Follow A696 towards Newcastle. Take the A1 north towards Morpeth, turn off at the A19/Tyne Tunnel exit. Continue south towards the Tyne Tunnel along A19 until you reach the roundabout at A1058. Take the first exit signed to Silverlink. Continue forward over the next two mini roundabouts until you reach the main roundabout at Middle Engine Lane. Take the second exit onto Cobalt Park Way and then over the next roundabout into the Cobalt Business Exchange & Conference Centre.
